To Whom It May Concern:

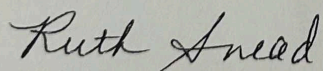

It is with pleasure that I write a letter of recommendation for Kailyn McLean for any teacher position, whether it be in the special education realm or regular education.

As the first and second grade Learning Support Teacher at Kendall, I have worked closely with Kailyn for the past 4 months. She is both knowledgeable and professional and handles her responsibilities with a great deal of enthusiasm. In her para-professional role, I have observed her teaching small groups, managing behavioral plans and pitching in whenever there is a need.

It is obvious that Kailyn is a natural teacher and the children she is assigned to learn from her and enjoy her. Her ability to relate with younger children is very apparent.

Kailyn will make an excellent addition to any staff. Please contact me with further questions you may have.

Sincerely,

Ruth Snead
